Dear Mr. Reinhart:

This letter is in regard to the State's section 1115 Health Insurance Flexibility and Accountability (HIFA) demonstration, which was approved on January 16, 2004. In order to align demonstration periods with expenditure reporting requirements, we are modifying the end date of your demonstration. Your previous approval documents indicated that the demonstration would expire on January 15, 2009. Your new demonstration expiration date is January 31, 2009 to allow expenditure reporting through the full month of January.

The approval of the demonstration, as referenced in the State's award letter, continues to be contingent upon the State's continued compliance with the demonstration Special Terms and Conditions (STCs). Should you have any questions or concerns about the revised demonstration period end date, please contact your project officer, Ms. Susan Gratzner at (410) 786-8694. She is available to answer questions concerning this letter and other demonstration issues. Ms. Gratzner's contact information is as follows:
